

## WOMEN'S REPORT 2020

Unfortunately, 2020 was not a good year for the Ladies competition day at our Club. Our last game pre COVID was mid-March and apart from 3 rounds of championships and a few medal rounds, that was it.

We have sorely missed our regular presentations and catch up with all our current and past players.

Congratulations to our 2020 Club Champion, **Peta Griffin**.

Thanks to Greg and his team in the Proshop and especially Peta who looks after the Ladies on Tuesdays.

It was great during COVID to see some ladies' clinics run by Greg. Not having our presentation on Tuesdays made it difficult for those ladies to meet other lady golfers. Hopefully Greg can arrange a few more at some stage and help bring some more lady members to our club.

Thanks also to Gail and her staff in the kitchen.

Our course is looking amazing thanks to our greens staff ably led by **Keenan Hobbs** and his staff of **Damian Spelta, Chad Casinelli** and **Garry Hoare** and also a band of volunteers. They are doing an excellent job maintaining and improving our course.

We had our **Ladies Presentation** and lunch at the Heads Hotel on 8<sup>th</sup> December. It was a packed house and thoroughly enjoyed by both current and past members.

We also said farewell to most of our committee and thanked them for their hard work and dedication to our lady members.

Good luck to our Gold and Bronze Pennant teams and thanks to all the ladies who have put their hands up to represent our club.

The Ladies now have a Ladies Representative team with me as Captain, **Vicki Askew** as Pennants Captain along with **Gai Richardson** and **Julie Romanowksi**. This will be reviewed in 2021.

Good golfing ladies.
