

WOMEN'S REPORT 2021

2021 was an excellent year for the women at Shoalhaven Heads Golf Club. There were a lot of changes, including not having a presentation after our Tuesday competition, which we did miss. However, we did welcome a lot of new members with a record of 53 ladies playing in the Ladies' Tuesday Competition on the 30th November. It has been great getting to know them all and with our Shotgun starts back on the programme, it will be even better with the ladies able to have lunch and catch up together.

We hosted the Pennant Finals in May and although our Club wasn't amongst the winners, it was a very successful day.

A huge thanks to **Damian Spelta** and his green's staff as well as his band of volunteers. There have been so many improvements in 2021 and continuing this year. They are doing an excellent job maintaining and improving our course.

Thanks also to **Gail, Mountain** and the kitchen staff for providing our members and visitors with delicious food and always with a smile on their faces. We appreciate all the effort you put into your menus.

Thanks to **Greg** and his staff in the Pro Shop for their help and support and a special thanks to **Lloyd** who is looking after the ladies' competition on Tuesdays.

We said goodbye to **Peta Griffin** who supported us for a very long time with our Tuesday competition and we wished her every success in her new venture.

We had our Presentation Day on the 8th December at our Club with around 45 ladies enjoying the day. Food and company were exceptional, and I thank you all for supporting us.

Congratulations to our 2021 Club Champion, **Gail Pottenger**. Well done!

Our Pennants have started; however, the rain has put a halt on a lot of events. Good luck to all the ladies participating in our Gold, Silver and Bronze Teams.

I would also like to thank **Phil Behan** for his support this year, it has sometimes been challenging.

Lastly but not least, thank you to **Vicki, Gai** and **Julie** for the work and support they have shown me during the year to make it so successful.

Good golfing ladies.

Suzie Collins
Ladies Captain
